REMARKS: _____

I, understand to observe and perform the provisions of all Dominion or Provincial statutes or regulations, the applicable by-law or by-laws, regulations or orders and plans continued in force including any applicable Zoning By-law, any agreement entered into affecting said land and all specifications or instructions issued by duly authorized officers in respect of the work incidental to the subject matter of this application and if the permit involves or affects the placing of or the position of any building or structure on or in respect of land, to do all work so that the building or structure will be wholly within the boundaries of the lot or parcel of land indicated in this application and to indemnify the Municipality against all losses, costs, charges or damages caused by or arising out of anything done pursuant to any permit issued under this application.

Please Note: Section 387(1) of the Municipal Act states that a Municipality is not liable for a loss related to

- A) The manner or extent of an inspection; or
- B) The frequency, infrequency, or absence of inspection.

Council advises that it is the responsibility of the applicant to carry out their own inspection of the structure being built and if not able to do their own inspection, to hire a building inspector to do the inspection at their own cost.
