

Artist Application Form

**2025 Artisan Gallery
Irvin Goodon International Wildlife Museum**

The Wildlife Museum is pleased to partner with the Boissevain-Morton Arts Council for the Artisan Gallery Program. This program showcases the handmade works of local artists and artisans within the main gallery of the Wildlife Museum on a commission basis throughout the museum's operating season each summer. This program also offers artists opportunities to participate in live art demos, special events, artist promotion on social media, and more.

All Artisan Gallery applications will be reviewed and assessed by representatives from the program. Approved applicants will be contacted and will proceed with signing a Consignment Agreement regarding the commission and terms of the program, along with details about inventory and artist set up in the gallery. Any questions can be directed via email to wlmuseum@boissevain.ca.

Artist/Business Name: _____ **Contact Name:** _____
