- d) No person shall cause an ***Outdoor Fire*** to be started in order to guard property; clear land or burn debris; burn crop, stubble or grass; unless the land on which the fire is started is completely surrounded by a fire guard consisting of:
 - i) A strip of land free of flammable material, or of sufficient width to control the fire
 - ii) By natural or man-made barriers, water, or
 - iii) By a combination of (i) and (ii).
- e) The smoke from an ***Outdoor Fire*** shall not pose unreasonable hazard to the health of any person or reduce the visibility on any road or highway.

4. Exemption from Burning Permit

- 4.1 Fires that are set in an outdoor fire pit or solid fuel burning appliance, set for cooking or warmth and would normally be considered a campfire, are for the purposes of this By-law, exempt from a Burning Permit, but must adhere to the following conditions:
- a) Any fire that is set in a fire pit or solid fuel appliance shall be enclosed on all sides and constructed of masonry, concrete, heavy gauge metal or other noncombustible materials.
